This license applies to the standard-licenced version of Asper Capture and Analysis Software, PC and Web based.

#### Asper System Ltd Software Licence

#### Your Agreement to this Licence

You should carefully read the following terms and conditions before using, installing, copying, or distributing this software. Unless you have a different license agreement signed by Asper Systems Ltd, your use, installation, copying, or distribution of the Capture and Analysis Software indicates your acceptance of this agreement ("Licence").

If you do not agree to all of the terms and conditions of this Licence, then: (a) do not use, install, copy, or distribute any copy of the "Licence" Software with which this Licence is included.

#### Scope of Licence

The terms and conditions of this Licence describe the permitted use and user(s) of each Licenced Copy of Asper Capture and Analysis Software. Each licence allows the organization or user to one installation of the Capture Software and up to five installations of the Analysis Software.

All rights of any kind in the "Licenced" software which are not expressly granted in this Licence are entirely and exclusively reserved to and by Asper Systems Ltd. This software is protected by copyright laws and other applicable laws and treaties. You may use, install and distribute the "Licenced" software solely as expressly provided in this Licence. You may not rent, lease, loan, sublicense, modify, translate, reverse engineer, decompile, disassemble, or create derivative works based on, the Capture and Analysis software, nor permit anyone else to do so.

#### Warranty Disclaimers and Liability Limitations

*Asper Capture and Analysis Software, and any and all accompanying software, files, data and materials, are distributed and provided "AS IS" and with no warranties of any kind, whether express or implied, including, without limitation, any warranty of merchantability or fitness for a particular purpose. Asper does not warrant, guarantee, or make any representations regarding the use of, or the results of the use of, The Capture and Analyst Software. Asper Systems Ltd does not warrant that the operation of the Capture or Analysis software will be uninterrupted or error-free, or that the use of any passwords and /or encryption features will be effective in preventing the unintentional disclosure of information contained in any file. Further, there is no warranty for the optional virus scanning feature.*

(The Capture and analysis software does not scan for viruses; it simply runs external programs that claim to perform this function.) You acknowledge that good data processing procedure dictates that any program, including the Capture and Analysis Software, must be thoroughly tested with non-critical data before there is any reliance on it. **This disclaimer of warranty constitutes an essential part of this Licence.**

*Except to the extent expressly prohibited by applicable statutes, Asper Systems Ltd shall not be liable for any damage or financial loss arising out of the use of, or inability to use, the Capture and Analysis Software. Any liability of Asper Systems Ltd will be limited exclusively to refund of the licence fee paid to Asper Systems Ltd. Except to the extent expressly prohibited by applicable statutes, in no event shall Asper Systems Ltd, or its principals, shareholders, officers, employees, affiliates, contractors, subsidiaries, or parent organisations, be liable for any indirect, incidental, consequential, special, or punitive damages whatsoever relating to the use of the Capture or Analysis software, or to your relationship with Asper Systems Ltd, (including, without limitation, loss or disclosure of data or information, loss of profit, revenue, business opportunity or business advantage, or business interruption), whether based upon a claim or action of contract, warranty, negligence, strict liability, contribution, indemnity, or any other legal theory or cause of action, even if advised of the possibility of such damages.*

*In addition, in no event does Asper Systems Ltd authorise you or anyone else to use the Capture and Analysis Software in applications or systems where the failure to perform can reasonably be expected to result in a significant physical injury, or in loss of property, or in loss of life. Any such use is entirely at your own risk, and you agree to hold Asper Systems Ltd harmless from any and all claims or losses relating to such unauthorized use.*

#### General
